

Undergraduate Medicine (MB BCh BAO)

SEPTEMBER INTAKE | ENTRY REQUIREMENTS

No.	Programme	Minimum Requirements
1.	STPM	ABB in: • Biology • Chemistry • Mathematics or Physics
2.	A-Level	ABB in: • Biology • Chemistry • Mathematics or Physics <i>Subject must be taken in 2 consecutive academic years. Any repeat examination outside the 2 years will not be considered.</i>
3.	International Baccalaureate	Minimum overall 36 points (including bonus point) AND Attained a minimum score of 5 in: • HL Biology • HL Chemistry • HL Mathematic
4.	University Matriculation Foundation in Science Pre-Medical Course	CGPA 3.5 (out of 4.0) including 3 subjects: • Biology • Chemistry • Mathematics or Physics Provided the programme is not less than 1 year in the same institution AND Attained minimum B at School Certificate level or its equivalent in: • Biology • Chemistry • Mathematics or Additional Mathematics • Physics • Another subject

No.	Programme	Minimum Requirements
5.	Unified Examination Certificate (UEC)	1 B3, 4 B4's: • Biology • Chemistry • Physics • Advanced Mathematics I or Mathematics I • Advanced Mathematics II or Mathematics II <i>Results from two sittings are acceptable.</i>
6.	Canadian High School Diploma (Year 12)	Average of 85% in any 3 subjects with an individual score: • 85% Biology • 85% Chemistry • 85% Mathematics or Physics AND A score of 4 each in: • AP Biology • AP Chemistry • AP Calculus or AP Physics
7.	Monash University Foundation Pre-University Programme (MUFY) University of New South Wales (UNSW Foundation)	Average of 90%: • Biology • Chemistry • Mathematics or Physics AND Attained minimum B at School Certificate level or its equivalent in: • Biology • Chemistry • Mathematics or Additional Mathematics • Physics • Another subject
8.	Australian Year 12 ACT, HSC, NTCE, QCE, SACE, TCE,	93 ATAR provided the subject include: • Biology • Chemistry • Mathematics or Physics
9.	Indian Pre-University (Year 12)	Pass the NEET Exam and obtain an Eligibility Certificate from the National Medical Commission India (NMCI) OR Letter of Undertaking (LOU) AND Average of 90% with an individual score of 75% in: • Biology • Chemistry • Mathematics or Physics <i>*Applicable for CBSE and CISE certificates. Other state boards or awarding bodies will be considered on a case-by-case basis.</i>

No.	Programme	Minimum Requirements
10.	National Certificate of Educational Achievement (NCEA) Level 3* New Zealand Bursary*	A minimum of 80 credits, including: • One Level 3 subject endorsed with Excellence • Two Level 3 subjects endorsed with Merit The subjects must include the following required sciences: • Biology • Chemistry • Mathematics or Physics
11.	America High School Diploma with Advanced Placement	CGPA 3.50 (out of 4.00) with a score of 4 each in: • AP Biology • AP Chemistry • AP Physics or AP Calculus
12.	International Foundation Group (IFG) Medical Foundation Programme	Overall 80% with an individual score of: • 80% in the Biology based modules • 80% in the Chemistry based modules • 75% in other modules AND Attained minimum B at School Certificate level or its equivalent in: • Biology • Chemistry • Mathematics or Additional Mathematics • Physics • Another subject
13.	Caribbean Advanced Proficiency Examination (CAPE)	I, I, II in: • Biology • Chemistry • Mathematics or Physics

* Subject to be reviewed by the Admissions Office.

No.	Programme	Minimum Requirements
14.	Diploma in Health Sciences	CGPA 3.5 (out of 4.0) including 3 subjects: • Biology • Chemistry • Mathematics or Physics Provided the course is not less than 5 semesters of 2 ½ years in the same accredited institution AND 2B's each in: • Biology • Chemistry Credits in 3 subjects; • English • Mathematics or Additional Mathematics • Physics In SPM/O-Levels or its equivalent

<i>* Must be less than two years validity at the time of admission</i>		
<i>* EPT to be in one-sitting. Any repeated components will not be considered</i>		
Entry Requirement	Malaysian	International
Bahasa Malaysia at SPM	Minimum 'Pass'	Not Applicable
<i>*SPM BM is not required upon admissions, however before completion of the medical degree programme.</i>		

Age of Applicant

Any applicant must be of age (18 years old) before departure to Ireland for commencement of the Undergraduate Medicine programme.

Irish & European Union (EU) Applicants

Applicants from Ireland and the European Union (EU) are advised to check on their eligibility status with the Admissions department.

International Qualifications not listed in the entry criteria will be submitted to UK ENIC for qualification equivalency assessment against Cambridge A-Levels standard upon complete submission into the application portal. This verification process will take approximately six working days.

Under **certain circumstances**, applicants may be required to complete a **Letter of Undertaking (LOU)**, witnessed by a lawyer or commissioner of oaths, upon receiving the RUMC Offer Letter.

Examples include:

- Applicants holding a passport from a country that does not recognise qualifications from National University of Ireland (NUI).
- Indian applicants who do not intend to practice medicine in India.
- Other criteria to be considered case-by-case basis.

NEET Exam refers to the National Eligibility cum Entrance Test, required for Indian nationals who wish to work in India as a medical practitioner.

Eligible applicants who meet the entry criteria will be invited to participate in a mandatory admissions interview following a thorough review of the submitted application through the portal. A successful interview will lead to the issuance of an offer letter.

Interview invitations will be sent to applicants; those who do not attend the interview after the third invitation will be considered to have declined the offer.
