

RUMC Careers

-  Impressive Salary Package
-  Conducive Working Environment
-  Excellent Annual Leave
-  Group Hospitalisation & Medical Insurance

RUMC (RCSI & UCD Malaysia Campus) was established in 1996 as Penang Medical College. As the branch campus of the Royal College of Surgeons in Ireland and University College Dublin, two Irish institutions renowned for the study of Medicine, RUMC is recognised by the Malaysian Medical Council (MMC) and Irish Medical Council (IMC) and graduates high-performing and service-ready doctors. Come join us and be part of our growing team now.

Lecturer / Senior Lecturer / Associate Professor of Orthopaedics

- Possess an MBBS or medical qualification recognized by the Malaysian Medical Council and a Postgraduate qualification in the respective discipline or equivalent.
- Proven track record in undergraduate and postgraduate teaching and research.
- Experience of teaching at an Irish medical school would be an advantage.
- The successful applicant will be appointed at the level of Lecturer or Senior Lecturer or Associate Professor commensurate with his/her postgraduate qualifications and experience.

Applicants must be currently registered with their country's Medical Council and/or with the Malaysian Medical Council when applying for clinical teaching positions. Malaysian applicants registered or willing to be registered with the National Specialist Register (NSR) and possess the latest and valid Annual Practising Certificate (APC). Foreign applicants must be registered as a specialist with the Medical Council/Authorities in the practitioner's country of origin or last country of practice with at least three (3) years of experience in that specialty in any country, supported by written testimonials.

The remuneration package will be commensurate with the background and experience of the candidate. The positions available are based in Penang, Malaysia.

The successful candidate will be expected to take up their position by the Second Quarter of 2026 or Third Quarter of 2026
